

UCSC Procurement and Business Contracts

FROM: Paul Schell – Purchasing Manager

DATE: August 19, 2009

SUBJECT: Buyer Team Assignment Change

This communication is to announce a change of three Buyer assignments and to also remind campus departments of their contacts for purchasing related questions. Effective **September 1, 2009**, the Procurement department will reassign three Buyers to new Teams. Please make note Kathleen Rogers, Nancy Nieblas and Deb Newman will be reassigned to new Buyer Teams.

The Procurement department is organized into three teams, made up of three Buyers per team; assignments are divided up by Division/Unit/Department to provide customized services to meet unique requirements. The teams will work closely with their assigned campus clients in their procurement activities and share their expertise thus allowing the campus client more time to devote to their non-procurement related duties.
